

2019 New Quad Fundraising Campaign

After several years of focusing efforts on the construction of the new Duluth Rowing Center, the Club's equipment needs took a back seat on the list of priorities. In 2019, a focused fundraising campaign was launched to purchase a new quad – one of the most frequently used boats at the Club.

Thanks to many generous donors and an anonymous \$10,000 matching gift, \$28,390 was raised to purchase a new quad. The Duluth Rowing Club is *extremely grateful* to the following contributors:
