

Duluth Rowing Club International Regatta
63rd Annual Regatta
Duluth, Minnesota
Saturday, July 15, 2023

Master (1000 Meters) Open and Junior (2000 Meters)

Master event with more than 7 entries are divided into heats based on age. Each Master race is run as final. Each Junior and Open race is run as 7 lanes time trial. All finishing times for a Junior and Open event are rolled up to final to determine fastest time and overall winner for that event.

Weather Condition: The high temperature was 75 degree Fahrenheit. It was sunny and dry with the wind coming from the west between 7 and 10 mph. The water was choppy due to wakes created by boats crisscrossing the bay. As the day wear on, the wind picked up speed to between 10 and to 14 mph and shifted to the northwest. White caps began to form. With rowing conditions deteriorating by late afternoon, regatta officials cancelled the remaining small boat events. This includes the following events: #25 MW1X, #26 MM2XU62, #27 MM2X62O, #30 JW1X, #31 W2-, #32 W2X, and #34 JM1X.

The Rheinberger Cup is awarded to the Club
with the highest aggregate point total.
