

**Duluth Rowing Club International Regatta**  
**64rd Annual Regatta**  
**Duluth, Minnesota**  
**Saturday, July 13, 2024**

Master (1000 Meters) Open and Junior (2000 Meters)

Master event with more than 7 entries are divided into heats based on age. Each Master race is run as final. Each Junior and Open race is run as 7 lanes time trial. All finishing times for a Junior and Open event are rolled up to final to determine fastest time and overall winner for that event.

**Weather Condition:** The day's high temperature was 82 degrees Fahrenheit with dewpoint in the high 60s. It started out sunny with the wind coming from the west between 5 and 10 mph. As the day wear on, the weather condition turned for the worse with wind picking up and shifting to the south. With the rowing condition deteriorating at the 2000 meters starting line, referees, coaches, and LOC chair decided to shorten the remaining races to 1000 meters starting with Race #28 Open Men 1x at 1:25 PM. Given that the 1000 meters course requires a floating start, each race thereafter is considered final. In addition, officials cancelled all remaining single races which include the Junior Women's 1x and Junior Men's 1x. Finally, officials moved up the start time for the remaining afternoon races by shifting to 8-minute center.

The Rheinberger Cup is awarded to the Club  
with the highest aggregate point total.
