

2023 Fundraising Report

Total 2023 Contributions: \$ 57,135.00

The Duluth Rowing Club is *very grateful* to the many individuals and businesses who generously gave financial contributions in 2022. These gifts supported the Junior Rowing Program, Adult Programs, scholarships, equipment, general operations and a special year-end appeal for a new midweight quad.

The Duluth Rowing Club extends a huge **THANK YOU** to all who provide financial support to the Club. The DRC would not be a successful, thriving organization without this support.
