

2024 Fundraising Report

Total 2024 Contributions: \$ 23,287

The Duluth Rowing Club greatly appreciates the individuals and foundations that provided financial gifts in 2024. These gifts support youth and adult coaching, scholarships, transportation, maintenance, and general operations.

The end-of-the-year fundraising appeal was a goal of \$10,000 to upgrade existing rowing shells, specifically new boat seats, slides, shoes, oar locks, and structural maintenance. We are pleased that the goal was surpassed with \$12,980 raised.

The Duluth Rowing Club extends a huge **THANK YOU** to all who provide financial and in-kind support to the Club. The DRC depends on community support to be a thriving, financially sound organization dedicated to providing rowing opportunities to all.
