

2025 Fundraising Report

❖ **Total 2023 Contributions: \$ 44,070.00**

The Duluth Rowing Club is *very grateful* to the many individuals, businesses and foundations who generously gave financial contributions in 2025. These gifts supported the Junior Rowing Program, Adult Programs, scholarships, equipment, general operations and a special year-end appeal for two new double rowing shell – one designed for novice rowers and one for competitive crews.

The Duluth Rowing Club extends a huge **THANK YOU** to all who provide financial contributions to the Club. The DRC continues to be a successful, thriving organization with your strong support.
